1. On behalf of Deutsche Aero Club e.V. the model rocketry association (RAMOG e.V.) is organising the 17th International Carl-Neubronner-Contest for spacemodels in class S6A and S8E/P combined with German Championship class S1D/P and S8E/P.
2. The contest is open to participate for all members of National Aero Clubs in the Fédération Aéronautique Internationale (FAI), holding an valid FAI-Sporting-Licence for aeromodelling and an international insurance. Both policies must be presented to the organising committee at the launch area or at registration.
3. The contest will take place at the sports field at Roggden/Town Wertingen (county Dillingen). See enclosed scetch. Roadsigns will show the way in Roggden to the sportsfield.
4. At the Carl-Neubronner-Contest the classes S6A and S8E/P will be flown.
The classes S1D/P and S8E/P will also be flown as partition of the German Championship.
Thrust curves and total impulse reported by the manufacturer are mandatory.
5. The teams are requested to supply their own launching devices, ignition systems and igniters, respectively.
6. All participants will receive a diploma, additionally, the winner of the respective class will receive a silver medal at the Carl-Neubronner-Contest.
7. The official languages are English and German.
8. The FAI-Jury will be anounced on the field
Chairman of the contest: Herbert Gründler (Germany)
9. The participation fee for the Carl-Neubronner-Contest is 20,- EURO, to be paid at registration on the field.
10. If a confirmation of participation is required, registration for participation must be received by the organising committee before June 2th 2008. A registration by telefax is sufficient. All other participants are requested to register in a written form or by a call before June 10th 2008:

Herbert Gründler
 Talblick 7
 86368 Gersthofen / Germany
 phone: 0049-8230-1451 telefax.: 0049-8230-2055
 email: herbert.gruendler@t-online.de

Participants admit knowledge, unconditional acceptance and compliance of the FAI classement at registration.
